

Elmhurst Rugby EQUIPMENT FUNDRAISER

Join us in keeping our youth rugby players safe by donating to help purchase a scrum machine.

Scrum machines improve developing players' strength and skills. This tool is more important to rugby than a similar sled is to football.

No donation too small!

***Visit us at www.elmhurstrugby.org
to donate.***

Elmhurst Rugby Football Club is a non-profit organization dedicated to safely teaching the sport of rugby and developing the whole individual to make more successful and confident in competition and life.
